Subject: Projects and Planning Committee Meeting

Date & Time: Tuesday, October 10, 2017 beginning at 7:10 p.m.

The Projects and Planning Committee will meet briefly to discuss the following agenda items.

Agenda:

- a. Action on Product and Services Prices for 2018
- b. Action on Bid for Cost-Share for Dams
- c. Action to Authorize Bids for Prairie Lake & Buckley Creek Vegetation Management
- d. Other Business

Attached find Kent's proposal for product and services prices for 2018. The Committee should review these and approve them if you are in agreement.

Last month, we approved several dams for construction. There was one dam that we are still waiting on bids for. We hope to have them by board meeting time.

Kent obtained some general estimates for budgetary purposes to remove invasive trees from Buckley Creek Recreation Area and Prairie Lake Recreation Area. We anticipate that this work would be done this winter but would like to advertise so we get the contracts in place in preparation for the work.
