

LITTLE BLUE NATURAL RESOURCES DISTRICT

(Angus Dam Fund)

SCHOLARSHIP APPLICATION FOR COLLEGE JUNIORS

The Little Blue Natural Resources District will offer three \$500 scholarships to qualified students that reside within the Little Blue Natural Resources District. The student must be attending a four year college, majoring in a conservation or environmental field, academically in good standing and live in the district.

This is a one-time Scholarship that will be awarded at the beginning of the recipient's Senior year in college. College Junior Scholarship awards will be directly sent to the college that is being attended.

Please have the application, a transcript of grades and a letter of recommendation sent to the Little Blue Natural Resources District by the first Friday in March. The Little Blue Natural Resources District Research and Education Committee will evaluate the applications and forward the most qualified application to the entire Board of Directors. Winning recipients will be notified in April and will receive a certificate.

The following is a list of acceptable conservation and environmental majors ("»" denotes priority majors):

Agribusiness	Diversified Agriculture
Agricultural Education	Entomology
Agricultural Engineering	Horticulture
Agronomy	Horticulture & Forestry
Animal Science	Insect Management
Crop Protection	Integrated Pest Management
» Environmental Studies	» Range Science
» Fisheries & Wildlife	» Soil Science
» Forestry, Fisheries & Wildlife	» Water Resources Planning & Management
» Natural Resources Management	» Water Science
» Pre-Forestry	

Other majors related to conservation or an environmental field of study may also be considered.
