"Serving The Public Since 1972"

GROUNDWATER CONVEYANCE AGREEMENT

THIS AGREEMENT FORM will be used to document the transfer of irrigated water from one land tract where an irrigation well is located, to the land tract of another landowner for the purpose of certifying irrigated acres. This agreement will remain in force until amended or canceled by either party to this agreement.

WELL being used to complete groundwater transfer: _____

SOURCE TRACT - Owner & legal description of tract **FROM** which irrigation water is being transferred:

Amount of certified irrigated acres watered by above well on **source** tract: _____ acres

RECEIVING TRACT - Owner & legal description of tract **TO** which irrigation water is being transferred:

Amount of certified irrigated acres watered by above well on **receiving** tract: _____ acres

MORE INFO: Nature of transfer or additional information (example: pivot runs on adjoining ground, etc.)
