RE: Water Resources Committee Meeting

DATE: **Tuesday, February 12th, 2019, 6:00 p.m.**

PLACE: Board Meeting Room, LBNRD Office, Davenport, NE

The Water Resources Committee meeting will be held just prior to the Projects & Planning Committee meeting to discuss the following agenda items:

AGENDA ITEMS

1. **Election of Chairman and Vice Chairman**

2. **Report on 2018 Irrigation Use**

3. **Failure to Submit 2018 Pumping Report**

At the time of this agenda there were 15 reports that had not been submitted. The operators that have not turned in a report have been contacted 4 times since September. A copy of this agenda will be sent to the operators inviting them to the committee meeting. Hopefully all will comply and there will be nothing to discuss.

4. **Certification of Acres with Tax Records**

Bill Hill and Ernie Marschmann are paying irrigated taxes on 127.2 and 39.5 acres of land respectively but have not been actively irrigating the crops. *Can these owners certify acres based on tax records alone without any history of irrigation?*

5. **Discussion on Failure to Submit Certified Acre Form**

6. **Discussion for Clarification on Transfer of Certified Acres Rule**

Clarification of rule in the new regulations for transfer of certified acres.

7. **Other Business**
