RE: Projects and Planning Committee Meeting

DATE: **Tuesday, June 25th, 2019 beginning at 5:30 p.m.**

PLACE: Committee Meeting Room, LBRND Office, Davenport, Nebraska

The Projects and Planning Committee will be held to discuss the following agenda items:

Meeting Agenda
Tuesday, June 25th, 2019 – 5:30 pm

1. Action on Cost-Share Docket
2. Action on Municipal Water Supply Assistance Program Application
3. Action on Projects & Planning Budget
4. Other Business

The Little Blue Public Water Project has made application for cost-share funds through the Municipal Water System Assistance Program. Their 1,541-population count was verified through the Cross-Connection Surveys in 2014. This would make the Project eligible for \$30,820 intended for use in engineer developed cost estimates for a well field and designing a pipeline from either the wellfield or a connection to the Village of Alexandria's water supply. The estimates are needed for completion of a feasibility study required for a pre-application to USDA's Rural Development for a loan or grant funds.

More information will be provided at the meeting. See you Tuesday evening.
