TWIN VALLEY WEED MANAGEMENT AREA (TVWMA)

CEDAR TREE REMOVAL AGREEMENT

Location: The area included in this program is the Republican River Riparian area from the Red Willow-Furnas County line to the Nebraska-Kansas state line south of Hardy, Nebraska and also the Little Blue River Riparian area from the Franklin-Webster county line to the Thayer-Jefferson county line in Nebraska.

The area eligible must be within one-half mile of the river or within one-half mile of a perennial stream or intermittent stream which provides significant water flows and empties into the Republican or Little Blue River.

Payment will be made at 50% of an hourly rate (not to exceed \$85 per hour) for contractual work. There will be a budget limitation of \$2,000.00 being paid per cooperator. If work is done by an individual landowner, the work must be monitored by designated TVWMA personnel. NO matching funds from another program will be allowed. Work must be completed by March 31, 2020.

Maintenance Agreement: It will be at landowners expense/labor and discretion to control future cedar tree growth for the next 10 years.

I hereby agree to carry out cedar tree removal on approximately \_\_\_\_\_ acres located in the \_\_\_\_\_ Sec. \_\_\_\_\_, Twn. \_\_\_\_\_ N; R \_\_\_\_\_ W located in \_\_\_\_\_ County. (Aerial photo attached).
