

COST-SHARE QUESTIONS

1. **Per landowner, wife, husband, entity. Each get \$10,000 in 2 years?**
-The maximum per tract is \$10,000 per 2-year period.
2. **Can all LB practices can be available to operators not just landowners?**
-LB and WQ practices can be made available to operators and landowners, if the landowners sign the Control of Land paperwork.
3. **After sod-busted ground has been crop farmed for 5,10,20 years? We can offer cost-share.**
-After sod-busted ground has been crop farmed for 5 years, we can offer cost-share.
4. **Rotational grazing-doesn't fit well for small producers**

-Follow the NRCS definition for rotational grazing. NRD will pay for the well if they follow the rotational grazing rules. Follow the EQIP rules on the well. They can put a new pump in an old well.
5. **NC-17 not worth it if they follow the NRCS design. Can we add a LB cost-share to help cover the design and SDI system?**
-We will remove NC-17 from our available practices list.
6. **NC-20-Add to the docket**
Do not add NC-20 to the docket.
7. **LB21-A can we use surface water?**
-On LB 21-A surface water cannot be used.
8. **More explanation on WQ-25 and WQ-28 (Want proof of inhibitor purchase from the farmer?).**
No proof of inhibitor purchase in required from the farmer.
9. **Chemigation Equipment Program Incentive Assistance- Do we want it?**
Adopt the Chemigation Equipment Program Incentive Assistance Program
10. **Operators eligible for irrigation management incentive program II, since it's not a permanent practice?**
Operators are eligible for irrigation management incentive program II since it is not permanent, if they sign off on the Control of Land paperwork.
11. **Can they also apply for WQ-23 (drop nozzle) to put new sprinklers on a used pivot? That is brought to a new location.**

-They can apply WQ-23 to any pivot.

12. Can we get rid of Stream Bank protection practice or up the \$\$ amount?

Get rid of the Stream Bank Protection practice, it is up to the landowner to deal with.

13. Dam Program. Change how much we offer? And the process of applying

-Tabled until next meeting, needing to do more research on what other NRDs do.
