## SCHOLARSHIP APPLICATION FOR HIGH SCHOOL SENIORS

---

The Little Blue Natural Resources District will offer three \$500 scholarships to qualified students that reside within the Little Blue Natural Resources District. The student must be attending a two-year or four-year college, majoring in a conservation or environmental field, academically in good standing and live in the district.

This is a one-time scholarship that will be sent in **August directly to the college you are planning on attending**. Scholarships will be awarded to one student per high school per calendar year unless the Little Blue Natural Resources Board of Directors determine differently.

Please have the application, a transcript of grades and a letter of recommendation sent to the Little Blue Natural Resources District by the first Monday in March. The Little Blue Natural Resources District Project and Planning Committee will evaluate the applications and forward the most qualified applicants to the entire Board of Directors. Winning recipients will be notified in April and will receive a certificate.

The following is a list of acceptable conservation and environmental majors. Other majors related to conservation or an environmental field of study may also be considered. ( "»" denotes priority majors):
