Davenport – The Little Blue Natural Resources District (LBNRD) is closing their office to the public until further notice, to ensure a safe and healthy work environment for their employees and the public in response to the COVID-19 situation.

“The health of our employees and the public is of utmost importance,” said Kyle Hauschild, general manager of the Little Blue NRD. “During this time, the Little Blue staff will be available by office phone and email to serve the people of the district.”

The Little Blue NRD staff is available at 402-364-2145.

“I encourage the public to stay up-to-date during this time by using the district’s website, littlebluenrd.org, and on our social media platforms, Facebook, Twitter, and Instagram,” said Hauschild. “Also, there is a drop box located on the right side of the main entrance door for those wanting to drop off any NRD paperwork.”
